## SUMMARY

Alex is an Emmy award-winning producer with 15 years of documentary filmmaking experience at America's highest profile television networks. Alex oversees ambitious, complex projects through all phases of production, specializing in immersive visual storytelling and long-form investigative journalism. He lives in New York by way of Hong Kong, Tokyo and London.

## WORK EXPERIENCE

### VICE ON HBO

Producer | New York | 2014 - Present

Pitch, develop, cast, direct and supervise edit of 15-30 minute documentaries, filmed in some of the world's most dangerous and hardest to reach places.

- Only US journalist to secure access to disputed islands in the South China Sea, and Crimea since its annexation by Russia.
- Produced the season 4 premiere episode about the war against Boko Haram, and the season 5 premiere about life under the Assad regime in Syria.

### ABC NEWS, NIGHTLINE

Producer | New York | 2011 - 2014

Produced an eclectic mix of 50+ news and feature stories, in the field and in edit under tight deadline pressure, including breaking news coverage, hidden camera investigations, celebrity profiles, and a dozen 30-minute special edition broadcasts.

### MTV NEWS AND DOCS

Producer | New York | 2010 - 2011

Conceptualized and executed innovative ideas for taped and live segments featuring newsmakers and celebrities, including Leonardo DiCaprio, The Rolling Stones, and 50 Cent. Also sold broadcast rights to independently produced documentary, "Queer Streets" to MTV Networks Logo Channel.

### NEXT MEDIA/DATLINE NBC

Digital Journalist/Associate Producer | New York | 2007 - 2010

Founding team member of NBC News's branded content studio, creating original content for such clients as Disney, Visa and Jeep. Also one of the first "DJs" hired at Dateline to shoot, produce and edit content for broadcast and the web.
